Preface

This bibliography has been compiled from publications which are available to the author and from
references given in these publications. Some of the references are incomplete and others may be
missing.

Any suggestions for corrections or additions to this bibliography are welcome and should be sent,
if possible with copies of the references commented on, to the author.

Acknowledgement

The author gratefully acknowledges contributions and corrections to this bibliography by Jim
Buchanan, Enrique De Alba, Klaus T. Hess, Martin Miiller, David Munroe, Walter Neuhaus,
André Neumann (who strongly supported the update in Fall 2015), Axel Reich, and Mathias
Zocher.

Handbooks and Collected Works

[1971] IBNR – The Prize Winning Papers in the Boleslaw Monic Fund competition. Amsterdam:
Nederlandse Reassurantie Groep NV.

ized by the Institute of Mathematics and its Applications held in London on May 22nd
1974.

Goovaerts, Eds.)

[1988] Statement of Principles Regarding Property and Casualty Loss and Loss Adjustment Re-

[1991] Actuarial Standard of Practice No. 9, Documentation and Disclosure in Property and Cas-
ualty Insurance Ratemaking, Loss Reserving, and Valuations (Doc. No. 027). Actuarial
Standards Board of American Academy of Actuaries.
